### Chapter 1 by Story Wars

Shivering in the darkness, Lauren sat in the musty corner waiting. She closed her eyes hard, her fingers blocking out the horrible pains. With everyone of the awful screams that escaped through her fingers, a pang of guilt chased her heart speed up. When she finally heard them stop. She opened her eyes, just a bit, to see her father wipe some sweat of his forehead. He turned and looked sadly at her.

"You'll get used to it eventually." he said offering her a bloody, gloved hand. Lauren shivered harder, she tried to not think about all of the innocent people that just died. Her father, James, took off the glove and Lauren grabbed the hook as he hoisted her up. Lauren could see her black hair, purple eyes, and slight freckles that looked symmetric to her father's. He tried to pull her into a hug, but, she escaped and took off, exiting the ship's Doom Room. He sighed, he had to report.

"Hello, this is CH here, We have a Ever Never." he talked into the walkie-talkie while holing it with his good hand.

"Oh, Captain Hook, we'll send her to the School for Evil then." A laugh echoed throughout the ship, causing mischievous grins of satisfaction.
